12 Month Limited Warranty

Your re-celled battery is covered by our 12 month limited warranty detailed below:

- The warranty given is 12 months from your invoice date. Please retain your invoice as proof of purchase.
- The warranty is given against defects due to workmanship or materials.
- Degradation in a battery's storage of charge is normal and will only be covered if below the normal expected levels.
- The warranty does not cover abnormal use; this includes misuse, accident, modification, unreasonable use, neglect, lack of maintenance, use in production-related service, liquid damage, or use outside manufacturers operating guidelines.
- If liquid damage is present i.e. dampness or corrosion customers will be informed and can choose to have the battery returned in its current state or repaired at the customers cost.
- Any items left unclaimed will be disposed of after 60 days to recover our costs.
- Customers are responsible for returning batteries in suitable packaging e.g. bubble wrap, padded envelopes, etc.
- Customers will pay return postage costs. We advise using a postal method with tracking number and insurance e.g. Royal Mail Recorded Delivery. We are not responsible for items that are lost in transit.
- Defects found under warranty will be assessed and the battery repaired or re-celled where necessary.
- Repairs will have a 30 day warranty or remainder of original 12 month warranty whichever is greater.
